THE "MANHATTAN EXPERIENCE" #MC08 IS AN 8-HOUR, ALL-INCLUSIVE TOUR OF MANHATTAN

On this tour, you will make your way from Manhattan's northern-most area, Harlem, and travel all the way to the southern-most point, Battery Park, while viewing and exploring the top attractions along the way. As you make your way through Manhattan, your guide will provide narration, answer questions and walk you through each exploration stop. The Manhattan Experience is exactly that - a full experience of the island, including lunch in Little Italy at one of the neighborhoods' oldest restaurants, Grotta Azzura. You will discover Manhattan from every vantage point - from the inside out as you tour the streets by foot and by bus; from the outside looking in as you cruise past bridges, The Statue of Liberty and the sprawling skyline on a cruise around the Hudson River; and from high above, looking down from the Top of the Rock Observation Deck. End your day in the Big Apple with a full stomach, great photos and new memories! The Manhattan Experience is now operated in a Sprinter van.

THE "BEST OF" MANHATTAN EXPERIENCE" #BME IS A SHORTENED VERSION OF OUR MANHATTAN EXPERIENCE

It is designed for a full day of NYC touring, but won't overlap with evening plans. This 6-hour tour will take you through the island of Manhattan from top to bottom, as your guide provides interesting narration along the way and walks you through each exploration stop. The "Best of" Manhattan Experience includes an authentic lunch in Little Italy at one of the neighborhoods' oldest restaurants, Grotta Azzura and views of the city from a new perspective on a Manhattan harbor cruise. End the day back in Times Square with just enough time to get ready for a night on the town. Best of Manhattan Experience is now operated in a Sprinter van.
