## ENTERTAINMENT GROUP BROADWAY

### Broadway Show

We guarantee the best seats in the theatre, which are mid-Orchestra or Front Mezzanine. The "Great White Way" is alive and well with great entertainment. We can get great tickets for any show you may request for your package...whether it be a favorite like Lion King, Phantom of the Opera, Chicago or Wicked, or one of the recent musicals like Hamilton, Kinky Boots, Dear Evan Hansen and Book of Mormon. We will make the tickets available at the Theatre Box Office, or at our ticket broker office, located in the Theatre District.

### Rockets Christmas Spectacular at Radio City Music Hall

Available November and December. Make time for joy at the Christmas Spectacular Starring the Radio City Rockettes presented by Chase. Get your tickets today and choose a date that fits into your holiday schedule. There is no better place than Radio City Music Hall to share joy, laughter, and lasting memories as you take in the legendary precision and grace of the Rockettes. The Christmas Spectacular is sure to become an unforgettable part of your Christmas tradition.

### Yankees Baseball

See your favorite team play the Yankees. We can procure outfield seats, upper or lower deck as well as seats along the first and third baselines, including the infield area. The least expensive seats are outfield, upper deck, but most guests like our suggestion of letting us get seats equal to the value of a Broadway show which will get you great seats in the lower deck near first or third base. From our hotels, it is a 20 minute taxi ride; or take the Subway from Grand Central Station to 161st Street.

## Group Ideas

### New York Theater

By far our most popular group program. We can find the show(s) to fit the nature of your group and we guarantee Orchestra or Front Mezzanine seats! Top hotels, right in the Theater District. Add a great restaurant, admission to a world-class museum, Gray Line's Hopper tour (done on an independent basis), 9/11 Museum and airport transfers, for a great group tour.

### NYC Combined with Washington DC or Boston

For a perfect one week group stay, we suggest combining 4 nights in New York City with a 3 night stay in either Washington DC or Boston. Your travel agent can get you between cities...perhaps even on the Amtrak MetroLiner! Also perfect for a cruise add-on.

## Weekend Specials (Short or long)

Package rates shown are for Stays on Thursday, Friday, Saturday and Sunday Nights only! If your stay falls on Monday, Tuesday or Wednesday, a nightly surcharge will apply and will be quoted at time of booking.

## Extra Nights

If you book a package with Extra Nights, and all the nights are over the Thursday to Sunday period, the Extra Night rate in the chart applies; however, if your package stay is over a Thursday, Friday, Saturday or Sunday, and you add Extra Nights that fall on a Monday, Tuesday or Wednesday, the rate will be quoted at time of booking.

# Top Broadway Shows 2018

## SHOWS MUST BE SELECTED AT TIME OF BOOKING

We offer every Broadway Show! Packages include best available seating at time of booking, but are **guaranteed to be Orchestra or Front Mezzanine!** Evening or matinee performances. Nominal surcharges may apply for some shows.

Of course, shows may close without notice and new ones open throughout the year; our staff will advise your travel agent of new show opening dates that you may be requesting. For groups, we can usually get all seats together.

**BROADWAY SHOW POLICIES** - Deposits on Broadway Show packages are due within 7 days of booking and will generally be based on the number of show tickets x \$225 (may vary for most popular shows).

The Manhattan Experience is exactly that - a full experience of the island, including lunch in Little Italy at one of the neighborhoods' oldest restaurants, Grotta Azzura. You will discover Manhattan from every vantage point - from the inside out as you tour the streets by foot and by bus; from the outside looking in as you cruise past bridges, The Statue of Liberty and the sprawling skyline on a cruise around the Hudson River; and from high above, looking down from the Top of the Rock Observation Deck.
